

## Antoine Forest Estates

Antoine Forest Estates is a beautiful little community of 107 homes, an active Board of Directors and neighbors with diverse and considerable talents. We are a community of single family residences, where our By-Laws and CCR's are strictly enforced in order to maintain our property values. Our Association is represented by an excellent Law Firm, as well. We are very security conscious and through our annual assessments have a private security company that patrols several days a week and on weekends. Many of our neighbors participate in the Houston Police Departments volunteer PIP Program, which trains and certifies our homeowners to patrol the neighborhood. We are a group of homeowners that look out for each other with many of us having lived in Antoine Forest Estates for over twenty years.
