

Greater Inwood Partnership
 Antoine Drive – Commemorative Tree Program
 Updated April 2011

Commemorative trees can be planted along Antoine Drive to honor or to remember special individuals. The Monterey Oak, commonly called the Mexican White Oak, has been selected as the definitive tree for this project. A historical marker can be permanently installed near the base of the tree identifying the person being honored and the organization, group or person who is providing the tree.

\$160 for tree alone
 \$205 for tree and 4” x 8” engraved brick
 \$395 for tree and 8” x 10” bronze marker with black background and gold letters

Please email the Greater Inwood Partnership at board@GreaterInwoodPartnership.org with any questions.

Antoine Drive Location	Honored	Contributor
	Janice and Charles Gabriel	Greater Inwood Partnership
5200	Officer David Egan	Greater Inwood Partnership
